

Certificate of Identification

I hereby certify that Koshish Charitable Trust is a well-known Organization to me. I personally know that this group has clear vision to bring social reform in ~~the society~~ and it works on Human Rights, Education, Environment, Panchayati Raaj and Sustainable Development.

I have been participating in the above activities for years with them and I am convinced that the trust is committed to the cases of Human Rights.

I wish them to work on larger scale and hope that they may get every possible support.
